CTP-130 Instructions - Certificate of Compliance by Non-Participating Manufacturer Regarding Escrow Payment

GENERAL INFORMATION

State of Wisconsin

Who is required to file this certificate of compliance?

- Any tobacco product manufacturer which:
 - sells cigarettes and/or roll-your-own (RYO) within the state of Wisconsin (whether directly or through any distributor, retailer, or similar intermediary) and
 - has not become a participating manufacturer in the tobacco Master Settlement Agreement (MSA) executed on 11/23/98.

If you satisfy these requirements, you must file this certificate of compliance to report the units of cigarettes and/or RYO manufactured by you and sold in the state of Wisconsin and pay the amount calculated into your qualified escrow fund.

DEFINITION

• Tobacco product manufacturer

Any entity that manufactures cigarettes, including roll-your-own, that such manufacturer intends to be sold in the United States including cigarettes and/or RYO that are intended to be sold in the United States through an importer;

The first purchaser for resale in the United States of cigarettes, including RYO, manufactured that the manufacturer does not intend to be sold in the United States; or

A successor of any entity described above.

• Non-participating manufacturer

A non-participating manufacturer is any tobacco product manufacturer who has not signed onto the MSA.

• Qualified escrow fund

A non-participating manufacturer that is required to file this certificate of compliance must establish a qualified escrow fund. This means an escrow arrangement with a U.S. federal or U.S. state-chartered financial institution having no affiliation with any tobacco product manufacturer and having assets of at least \$1,000,000,000, where such arrangement (1) requires that the financial institution hold the escrowed funds' principal for the benefit of the State of Wisconsin (and possibly other "Releasing Parties" as defined in the MSA) and (2) prohibits the non-participating manufacturer from using, accessing, or directing the use of the funds' principal except as consistent with sec. 995.10(2)(b), Wis. Stats.

DUE DATE

• Certificate of compliance due

This certificate of compliance is to be filed on or before April 15th of the year following the sales year.

This certificate of compliance is also to be filed on or before 40 days after the end of each sales-year quarter, unless the attorney general has exempted you from

quarterly payments. The sales year is a calendar year, from January 1 through December 31.

• Escrow payment due

You are required to make escrow payments in quarterly installments unless the attorney general has exempted you from quarterly payments. You are required to make quarterly escrow deposits no later than 30 days after the end of the quarter in which the sales are made. If the attorney general has exempted you from quarterly payments, you must deposit all escrow payments into your qualified escrow fund on or before April 15th of the year following the sales year. After you have made your deposit, forward a copy of your receipt or other proof of deposit from your financial institution to the Wisconsin Department of Justice, Tobacco Enforcement Coordinator along with this signed and notarized certificate of compliance.

In addition, after you have made your initial deposit into the qualified escrow fund, forward a copy of the escrow agreement as executed. Finally, forward any amendments to the escrow agreement. This should include the escrow fund balance as of March 31 of each year and if any payments have been made from the escrow fund and for what purpose.
